Comments for Public Posting: Why so much cruelty towards animals that are our traveling companions on this planet? They love us. Let's love them too. No more rodeo. Canceling it would be an act of civility.

Comments for Public Posting: Ban all cruel, inhumane rodeos and circuses across this country and the globe. Animals are not ours to exploit for any purpose. Develop a heart and soul and do the right thing!

Comments for Public Posting: I support the L.A. Rodeo ban. There is no excuse for animal abuse. Exploiting animals for human entertainment is animal abuse.

Comments for Public Posting: Please stop this awful so called entertainment with animals, rodeo's and many other so called sport entertainment involving animals are a thing of the past, nobody likes a circus or these horrible prison sea worlds full of majestic marine life, we don't like the involvement of animals and neither do they, so leave them in their natural habitat and you humans find your entertainment without animals, the whole world will be a happier place..... Thank you.

Comments for Public Posting: I'm writing to you from Georgia after hearing about yet another so-called "Fun for the Family" rodeo in Industry City. The one thing that we need to teach our children is COMPASSION. Such spectacles as this do just the opposite. They are anything but "fun" for the innocent animals who are clueless as to why they are being tortured merely for human "enjoyment". Such silly spectacles should be banned everywhere. It's simply a poor reflection on our society and has no overall redeeming value for anyone except those who profit from it.

Comments for Public Posting: It is well past time to end the cruelty of rodeos! Horses, calves -- ALL animals live in an abusive environment. Scars on horses forced to buck while being spurred; small calves trying to run, snatched by the neck, thrown viciously to the ground knocking the breath out of them, etc. IT IS ALL CRUEL TO ANIMALS. Stop it.
