**Comments for Public Posting:** I grew up going to rodeos. My whole family did. Every time we go the seats are sold out. The kids love it and talk about it for days. Please please do not take away the rodeos.

**Comments for Public Posting:** Dear Los Angeles City Council, I am writing to express my strong support for rodeos and to urge you not to ban them in L.A. County. Rodeos are more than just events; they are a celebration of our heritage, culture, and the incredible bond between humans and horses. As someone who loves rodeos and everything they stand for, I believe they play a vital role in preserving our traditions and providing a unique form of entertainment and education for people of all ages. Rodeos showcase the skills, dedication, and hard work of cowboys, cowgirls, and vaqueros, and they bring communities together in a way that few other events can. They also offer a platform for teaching important values such as respect for animals, sportsmanship, and the history of the American West. Please consider the positive impact that rodeos have on our community and the many people who cherish them. Let's work together to ensure that this beloved tradition continues to thrive in Los Angeles County. Thank you for your time and consideration. Sincerely, Michelle
