Comments for Public Posting: I am writing in support of the LA Rodeo Ordinance. How do we expect to achieve peace on this planet when we continue to bring violence to bear on the animal nations, especially for something as frivolous as so-called "entertainment?"

Comments for Public Posting: Rodeo animals are chased, wrangled, roped, and tormented for entertainment. A poll conducted of 600 Los Angeles voting residents has shown strong public opposition to the cruelty involved in rodeos. Animals depend on humans to care for them - not to abuse them. The rodeo is not tradition, it's not culture, it's the abuse of animals for profit and for entertainment and it's wrong.
