Comments for Public Posting: I oppose the rodeo. Bullriding is cruel. The bulls are scared of the large crowds, and they are caused pain to make them buck. Their are pieces of equipment they are make to wear which cause them pain. They also get electroshocked before being loosed into the arena, to make them scared, hurt, and panicked, to make them buck. This is all animal cruelty, and it should not be allowed.

Comments for Public Posting: There's no excuse for animal abuse ! Animals feel fear and pain, just as we do. It is cruel and inhumane to use innocent animals for human "entertainment". All Rodeos should be banned !
