**Comments for Public Posting:** Bull riding on LA I ask the city to consider banning bull rides which are unethical and forms of Animal abuse. Please research into the topic of bull riding what it takes to ensure compliance and the abuse involved as part of the activity

**Comments for Public Posting:** Please pass the Los Angeles rodeo ordinance. There is no excuse for animal abuse in Los Angeles. Abusing animals for 'entertainment' belongs in the past.

**Comments for Public Posting:** My family supports Animal Defense International and Council File 20-1575 to prohibit the use of harmful practices and techniques and devices at rodeo or rodeo related events in the City of Los Angeles. In reading many of the comments sent to the City of LA from rodeo enthusiasts, there appears a tremendous disconnect with the people asserting themselves as 'hard working' etc. This response is off point. Caring for domestic animal life and wildlife with a mindset of not what animals can do for humans but instead what humans can do to protect, nurture and undo the legacy history of selfish human inflicted pain and fear upon animals is what this is about. It is heartening to see Council File 20 1575 working to alleviate pain and suffering from animals and it's helping to raise the issues for thoughtful consideration. Patricia McPherson

**Comments for Public Posting:** I am in full support of the rodeo device ban and I am hoping the council will be as well. It is cruel and outdated and needs to end!  
Thank you.
