(213) 473-7013 Councilmember Tim McCosker, Council District 15 Ph. (213) 473-7015, Please know that everyone in western sports loves and respects animals. They are an intrigal part of our lives and way of life.... We wouldn't support any sport that tortures animals. Please help us and support amendments to the draft rodeo ordinance with language from the Western Sports Industry Coalition. These amendments will help animals stay safe while still allowing rodeo events, enjoyed by people of all cultural backgrounds, to continue.
