Comments for Public Posting: Please do not vote to ban rodeo. These animals are loved and well taken care of. This sport isn't a sport to the people doing it. It is a way of life! They love the land and they love the western way of life.

Comments for Public Posting: WE MUST PROTECT the RODEO and the LIVESTOCK that GOD put here on EARTH and that the CITY PEOPLE who DO NOT WANT the Western Way of Life to survive. THEY CITY PEOPLE DO NOT WANT TO WORK so LEAVE US ALONE AS WE DO WORK GODS LAND and TAKE CARE OF ALL THE ANIMALS and THIS IS OUR SPORT as GOD GIVES US ALL GIFTS and this is our GIFT that GOD GIVES US. If you do not like it then DONT COME TO THE RODEO... JUST LIKE WE NEED TO BAN GOLF COURSES AND LAWNS IN ALL CITIES IN CALIFORNIA. WE WILL MAKE SURE OUR LAWYERS COME right back at you for trying to DESTROY WHAT GO PUT IN THIS EARTH and GIVES OUR KIDS THE START IN LIFE TO BE CONFIDENT IN THEIR ABILITIES and COMMUNICATE BETTER and BE MENTALLY SOUND in growing up with ANIMALS AND BIRTH and LIFE AND DEATH. ONLY WESTERN WAY OF LIFE has STABLE INDEPENDENT CHILDREN THAT BELIEVE IN TRUE WORK and LIFE. RODEO must be PROTECTED as all COSTS and WE PAY FOR OUR FEED, TRAVEL, CARE OF THE LAND AND ALL ANIMALS. STOP THE RHETORIC.....LOOK AT THE DAMAGE your growing of wheat grass causes to the ENVIRONMENT.... YOU KILL EVERY INSECT around for your precious silly grass and you use DAMAGING INSECTICIDES TO DO IT.....so DO NOT say we are the problem.... RODEO IS THE ONE SPORT that is fair as it is just between the rider and the animal in all aspects and then the animal is checked out by the TOP VETERINARIANS in the USA after every event and they are only used a few times a year and the rest of the time they spend out in the open range with the rest of the herds like an animal should be. WE bath them, feed them, brush them, take care of their teeth, hooves, and they are never left without LOVE. YOU CITY people abuse your animals and your land.

Comments for Public Posting: Rodeo is an important sport in America. It is part of our heritage and backbone of this country. Animals are cared for, fed with high quality feeds full of nutrients, high quality hay, grass, water. These rodeo animals have highly trained veterinarians who care for them. At no time have I ever seen an animal treated poorly at a rodeo. Rodeo athletes understand the importance of caring for and respecting animals. Rodeo is a respected and revered ages old sport that is a major part of the very fabric of this nation. Please allow our rodeo to continue in this great city of Los Angeles. Thank you.
