Comments for Public Posting: Please don't ban rodeo from Los Angeles. To do so will have a negative ripple effect. Please look into the effects such a law can end up causing. The sports you're considering banning support many people, families, businesses small and large, and the animals.

Comments for Public Posting: Please do not ban rodeo, horse shows and other agricultural events! This world needs more outdoor time and less screen time!! You're proposing to take away a lifestyle and passion for so many people. Educate not cancel culture!
