**Comments for Public Posting:** This is just awful wanting to do away with rodeo this would hurt so many.not just the cowboy and cowgirls.the hotels restraints the taxes that are made off the rodeos.It is the only sport that isn't fixed in our opinion. Ian another thing these animals are taken care of very well. They are not hurt or abused in any way.It would be such a tragedy to take away one off the only sports that have so much and respect for the united States over some idiot that wants to shut rodeo down its ridiculous its sad we are even at this point over some tree huggers
