**Comments for Public Posting:** My family and I have been going to the Lakeside Rodeo for 4 generations now. We look forward to it every year. I am asking you reconsider your push to stop this event from continuing to bless our community. Rodeo is a time honored tradition that should remain as such. Local businesses count on the effects of the rodeo season with revenue as well. Lakeside started as a rodeo town long before anyone who drafted this change knew anything about it. There have been laws passed concerning gear and use with animals. This was done without full understanding of purpose for these items, why and when they are used. A little education goes a long way. Please don't pursue this decision without some proper education. Rodeo respects and cares for their animals. Not only are they an investment, they are loved. Please do not pass a bill banning something you do not understand. If anything.. come on down and see how great it is. Thank you

**Comments for Public Posting:** To be sure, rodeo is a tough sport, both for the competitors and the animals. But there is no deliberate attempt to injure or harm the animals. In fact, steps are taken to ensure that doesn't occur. For example, a cowboy is docked time if a calf is handled poorly; a bronc is returned to the stockyard if it's too anxious in the chute. Please make sure you measure the facts carefully and rely on more than emotional observations and outside complaints made by those who oppose this sport. Rodeo is a part of our heritage.

**Comments for Public Posting:** For what purpose do you want to cancel rodeo? Seems you have bigger issues to worry about than roping and bull-riding.

**Comments for Public Posting:** I am writing to express my view that the sport of Rodeo is an important, exciting, wholesome part of our Western American Culture. I believe it would be a great disservice to the people of Los Angeles for you to ban Rodeos in this city. It has a positive impact on participants, their families and spectators, It generates funds in the communities that host these events. The animals involved in the sport are well cared for and valued. Don't allow people with extreme views to be the loudest voices in this time honored and traditional sport. Please don't ban Rodeo in Los Angeles. Thank you, Jill Montgomery
