Comments for Public Posting: I am opposed to the ordinance trying to ban rodeos . Needless to say, I am a fan of the sport and have witnessed how well taken care of the animals are . as a former high school teacher I have know girls and boys hat have participated in rodeos since they were small children, it is a sport like football, tennis, basketball, and all others. the participants are dedicated to their sport and practice daily, do not take this away from them , or those of us who enjoyi. It is our western heritage !
