Comments for Public Posting: I support Rodeo and charrería and all western sports, es mas que una tradicion lo que se pierde al prohibir los eventos ecuestres es la cultura misma del estado de california la que se pierde, ya que desde los inicios el caballo y el ganado vacuno an formado parte primordial de la economia y el modo de vida del estado siempre an estado aqui y espero que nunca termine

Comments for Public Posting: I support the L.A. Rodeo Device Ban. There is no excuse for animal abuse in our society. We live in the 21st century and should no longer be using animals for entertainment when they inflict pain and harm on the animals.

Comments for Public Posting: Please discontinue these animal abusing rodeos. Surely, you can come up with other events that do not include animal abuse and torture.

Comments for Public Posting: PLEASE do not ban Rodeo Please VOTE NO on banning rodeo Please think very carefully about denying, farmers, ranchers, etc. the right to make a living. & Culturally taking away the way of life for the many that depend on these animals. This ban could have serious consequences for the 2024 Olympics Thanks for taking my opinion into account before you vote
