Comments for Public Posting: The only thing being filtered is truth. These animals are not abused and you know this as truth! Open your eyes and close your ears to the lies. You must vote to save Rodeo!

Comments for Public Posting: I can't imagine not being able to throw my leg over my horse and ride him. He waits at the gate to go also. Please take in consideration that rodeo has been around a long time. People that own these animals love them like their family because they are family. Do not ban rodeo! Thanks for listening, Monell Burns
