**Comments for Public Posting:** Please pass the L.A. Rodeo Device Ban. A recent poll of 600 Los Angeles voting residents showed 72% support the ban. There is no excuse for animal abuse in Los Angeles.

**Comments for Public Posting:** Bull riding is animal abuse. It is a horrific example of the utilization of animals for human "pleasure" and there is no need for its Exploitation in our communities.

**Comments for Public Posting:** This pertains to Rodeos in Los Angeles, but is related to restrictions for Horse Sports in General. The restrictions on spurs would also affect the Olympic Horse Sports, including Dressage, Show Jumping and Three-Day Eventing. The restrictions on belly cinches for Bulls would affect Western Saddles that use a rear cinch that is Loose and doesn't restrict the horse at all. It is only used when going down or up hills. This is an ill begotten attempt to control something that is part of our Western Heritage and would have far reaching implications for the multi billion horse sports industry as well. Please vote no on this legislation.
