Comments for Public Posting: I ABSOLUTELY support the Rodeo ban. There is NO EXCUSE for this so called sport. It is cruel and unnecessary. Unparalleled suffering to these innocent animals. Dive deeper into how animals are treated. No excuse to use them in sport, wear their skins or eat them... people need to EVOLVE Already. I've been in rescue since 2013 aside from what I do for a living as a business owner. I am so sick of the abuse and neglect all around LA County and everywhere in the world. Please don't bring any more abuse and neglect to Los Angeles CA. Thank you, Peg E

Comments for Public Posting: Very inhumane, no animal deserves to be forced to do anything that is not natural that they would normally do. Never should animals be used to make money off of or used for human entertainment!
