Comments for Public Posting: Have you ever played fetch with a dog? Played frisbee? Rough housed with him? Then you are guilty of the same crimes they blame rodeos of doing. Horses/cattle are specifically bred with instincts for the sport. These instincts are trained into the performances you see at the rodeo, just like a dog is trained to stay at your side during walks. For them, it's like chasing a frisbee. Cut rodeos now and it's just a hop, skip and a jump away from justifying getting rid of all pets. If you own a pet, don't support banning rodeos unless you're okay with banning your own pet.
