**Comments for Public Posting:** I support the Los Angeles Rodeo Ban. This is condoning live animal abuse for entertainment. The animals are sentient beings that feel pain and suffering; they are not objects to be used for sport or entertainment.

**Comments for Public Posting:** Please pass this ordinance that will ban bareback broncriding, saddle bronc riding, bull riding, calf roping, steer wrestling and team roping in Los Angeles. Broken ribs, punctured lungs, and other horrors are what horses, bulls, steers and calves suffer in the so called entertainment called "rodeo." This is not entertainment-it is just animal abuse and suffering that this ordinance will end once and for all. Thank you.
