Comments for Public Posting: I am a horse rider and animal lover. I have been to many rodeos and know they can be run with ample animal and rider safety. Please regulate but don't ban rodeos.

Comments for Public Posting: I urge you to implement the ordinance to ban the use of cruel devices that force rodeo animals to perform. Evenwell-fed animals that have good veterinary care can be mistreated, abused, and unhappy. We should not support treating animals poorly so that we can make money and entertain ourselves. This kind of torment has no place in a progressive city like Los Angeles. Please take a stand for innocent animals and vote to pass this ordinance.
