**Comments for Public Posting:** Bull-riding and buck-jumping is not sport or spectator performance - it is just animal abuse. Apart from being dangerous for both the animal and human involved it is demeaning to both and to those who choose to watch. The animal is terrified and in pain and the rider gains nothing from this unedifying torment of mistreated . It is a disgrace to any enlightened community and should be banned

**Comments for Public Posting:** Please shut down this act of cruelty, rodeo's are NOT an acceptable form of entertainment. I'm shocked putting an animal in a highly stressed state, tormented with a loud crowd jeering on it's distress, is allowed. It's a disgusting display of inhumane behavior! This is NOT acceptable entertainment! I appreciate your time, and hope you will put an end to this unconscionable outdated public display of neglect and torture to an innocent animal deserving of protection.
