Comments for Public Posting: Please do not ban rodeos. Horsemanship has been a tradition for generations in America and other countries. Now more than ever, horse owners have adapted to even better animal care and it would be a shame if these sports and traditions would be banned. The Charro community stands behind any effort to protect our loved traditions. We will continue to care for the horses and cattle. From a faithful Angeleno to the LA County I kindly ask for this ordinance to not be passed. Thank you

Comments for Public Posting: I am opposed to the proposed Rodeo Ordinance pending before the City Council. 1. The proposed Rodeo Ordinance bans pieces of equipment that are essential in many Western sports, including equestrian sports. 2. The Ordinance lacks a clear understanding of how equestrian equipment is used safely and humanely, and incorrectly deems our equipment as “harmful” and “inhumane.” 3. Lassos and lariats, sharpened and fixed spurs and rowels, and tie-downs are all essential pieces of equipment in equestrian sports, and when used correctly, do not harm animals. 4. Banning this equipment puts equestrian events at the 2028 Olympics in Los Angeles at the Sepulveda Dam Recreation Area in jeopardy. 5. Banning this equipment would also eliminate major equestrian activities in locations including Hansen Dam, the Los Angeles Equestrian Center, and Griffith Park. 6. We urge you to oppose the draft Rodeo Ordinance as currently written.
