Comments for Public Posting: Please remember that if rodeo's are a bad idea it will be the public that will shut them down by not going to the events.

Comments for Public Posting: I support the Los Angeles Rodeo Ban. Rodeos are barbaric and they glorify animal exploitation and abuse. It's time to shift into a kinder society that rightfully acknowledges other species deserve to be free from abuse. Thank you!

Comments for Public Posting: Rodeos are torture. These poor animals must wonder what they've done so wrong to deserve such treatment. As a strong outdoorsman, hi-power rifle competitor, car enthusiast and racer and waterspouts enthusiast, I 've seen enough to know that such "entertainment" as rodeos where innocent animals will be abused is not really civilized entertainment at all. We also need to teach our young people compassion for the least among us, and rodeos that incorporate animal abuse and seem to make it "ok" is not the way to go in doing this! Richard Lasseter; PhD

Comments for Public Posting: RODEOS ARE CRUEL TO ANIMALS - AND ALL IN THE NAME OF ENTERTAINMENT. That's terrible entertainment and sends a message of violence. This type of entertainment is inhumane, violent and cruel to the animals. Why is it being allowed? If it were dogs it would be deemed illegal because of the violent and inhumane nature of it. And treating dogs like that should be illegal. Why is that type of treatment to a rodeo animal any different? It's inhumane to Rodeo animals. Respectfully please put a stop to it. Thank you.

Comments for Public Posting: Council Members, it is vital you provide adequate funds for animal shelters to improve the present situation. As a citizen and tax payer with heavy property taxes on my property I urge you to allocate these required funds. We see so much in waste and questionable funding. This is necessary now. Respectfully submitted

Comments for Public Posting: I strongly support a BAN on rodeos! It is extremely cruel to animals.... calves chased, thrown hard to the ground, tied up...bulls and horses spurred ...the endless travel in cramped vans..there is NOTHING good about the exploiting of animals for human 'entertainment.'" PLEASE STOP IT.
