Comments for Public Posting: There is no reason or excuse any animal should be hurt in any way or tormented for the amusement or entertainment of people. Animals have nerves and feel pain and fear just a people do, and causing any kind of discomfort or damage to an animal is the height of cruelty, insensitivity and ignorance.

Comments for Public Posting: Animal abuse is not entertainment and has no place in compassionate society. It is time for rodeo to be swept into the same historical dustbin into which we relegated dwarf tossing contests. At least participants in those events were willing.
