Comments for Public Posting: I have supported and enjoyed the many of Bill Pickett Rodeos (last seen in CA on July 17, 2022) and other Western sports in LA and the DMV (Wash., DC, Maryland and my home state, Virginia.). I love those events and have never seen an animal mistreated, harmed or injured. My grandkids enjoyed them immensely, especially after learning that the 1st cowboys/girls were Black. To band this form of entertainment would be devastating and unjust to their community and us. I'm urging you to vote in support of their continued hard work with, and love for, their animals. And, entertainment, fun and history learning experiences for our children and us adults! Thank you for your time and support in this matter. Respectfully, Pat Love
