Comments for Public Posting: I am emailing in SUPPORT of the ordinance, which will prohibit: Flank straps, sharpened or fixed spurs, electric prods, lassos & lariats at the Los Angeles rodeo. This is a disgusting display of indefensible cruelty and abuse to equine beings who have willingly served beside mankind since the dawn of time. Los Angeles are you a leader or a loser? Lead with compassion and right the wrongs to our animal friends, or lose by succumbing to the status quo.
