Comments for Public Posting: STOP ANIMAL TORTURE AND ABUSE. ANIMALS ARE NOT CREATED FOR SAVAGES LIKE humans TO EAT, KILL, WEAR, TRADE, BE USED FOR ENTERTAINMENT, AND ON..... AND ON.....THERE IS A DIVINE PURPOSE FOR EVERY CREATION. BARBARIANS WHO REFER TO THEMSELVES AS humans WILL NEVER UNDERSTAND THE MEANING OF DIVINE CREATION, SINCE THEY ARE NOT CREATURES OF GOD. IT IS CLAIMED THAT NON-human ANIMALS MUST REACH LEGAL PERSONHOOD IN ORDER TO BE ENTITLED TO RECEIVING LEGAL RIGHTS. NON-human ANIMALS HAVE SURPASSED LEGAL PERSONHOOD WHICH HAS BEEN EQUIVALENT OF SCUM AND SEWAGE SINCE THE CREATION OF human LIFE. THANK YOU REAL "HUMANS LIKE" LCA, PETA, AND SEVERAL OTHERS WORLDWIDE, WHO ARE TRUE AND GENUINE DEFENDERS OF NON-human ANIMAL RIGHTS.

Comments for Public Posting: Please end your support for rodeos. Have you seen the cruelty that goes on? The injuries to the animals, the terror they feel? Please don't support cruelty.

Comments for Public Posting: It seems that money is driving inhumane treatment of animals more and more these days: animal experimental laboratories, puppy mills, cock fights, and rodeos. And lobbyists are the dirty little secret, working in the shadows, pushing their agenda for animal abuse and undermining voters, making all the horrendous agony happen to animals. Anyone with a heart knows it's wrong to tackle a baby animal, slam it to the ground, and tie their legs together. If you did this to a puppy you would be charged with animal abuse. Rodeos call it calf roping and call it a sport. It's not a sport, it's abuse. Do not allow what happened in Pennsylvania (a \$22,000 bribe to subvert the will of the people and allow rodeos again, after 30 years of bans) to happen in California!

Comments for Public Posting: There are few important events that promote black families in positive light and events. Often it seems that when one lives and performs in a positive way and in a positive environment it is the first target others go after as it doesn't fit the stereotypes that are more often than not pushed. Cowboys have been around for hundreds of years and their activities have always been seen as a part of our "American" culture just like hot dogs, apple pie, football and baseball. Please refrain from destroying a wonderful cultural and life experience for our communities.

Comments for Public Posting: End cruel bull riding and all cruelty towards animals. If we truly love freedom and democracy, we will not deny it to non-humans. A truly advanced society will extend its compassion to all sentient beings. Cruelty to animals diminishes all of us and is indicative of a fundamental misunderstanding or lack of some of the basic principles of civility, respect, awareness, inclusivity, and integrity. We have long known that all animals experience pain and suffering, form familial bonds, grieve the loss of family or group members, have memories, are capable of learning and can predicting. Therefore, it is clearly a lack of integrity that would cause us to continue to allow the mistreatment of non-humans for sport, entertainment or spectacle. Please end the abhorrent misuse of bulls for human sport and entertainment. Please end all abuse of animals.

Comments for Public Posting: Please ensure that rodeo cruelty does not happen to any creature. Injuring innocent animals is not a sport and it is not a practice that should be viewed as normal.

Comments for Public Posting: There is no excuse for animal abuse! We support the L.A. Rodeo ban! City Council file #20-1575. All it took for Governor Shapiro, of Pennsylvania, to undo a, 30-year, rodeo, ban, and, allow animal abuse was a \$22,000 payment to a, lobbyist, firm by the "Professional Bull Riders" ("PBR"). Is this the price of animal suffering? OUR FAMILY IS MAKING A COMMENT OF, PUBLIC, SUPPORT ON THE LOS ANGELES CITY COUNCIL FILE FOR THE RODEO! Pennsylvania's, new, state, budget has overturned, local, rodeo, bans, specifically, Pittsburgh's, which banned the rodeo more than 30 years ago! The article states that "PBR" backed the measure, "PBR" paid the firm more than \$22,000 to bend legislators' ears between May 2023 — when it registered to lobby — and, March 2024, according to the "Pennsylvania Department of State" records. We are sickened by this news! Anyone with a heart knows it is, morally, wrong to tackle a, baby, animal, slam it to the ground, and, tie their legs together. If you did this to a puppy you would be charged with, animal, abuse! Rodeos call it, calf, roping, and, call it a sport. It is NOT a sport, it is abuse! "PBR" lobbyists work in the shadows, pushing their agenda for, animal, abuse, and, undermining voters. Besides Pennsylvania, "PBR" is, also, busy lurking in Los Angeles, trying to sabotage the proposed, rodeo, ban. We will NOT let "PBR" push their, corporate, agenda of, animal, abuse, and, WE WON'T STOP FIGHTING FOR THE ANIMALS!
