**Comments for Public Posting:** Dear LA City Council Members, I am writing to express my strong support for preserving the rodeo in the city of Los Angeles. The rodeo is a cherished tradition that not only provides entertainment but also celebrates our cultural heritage and brings together diverse communities. Rodeos offer educational opportunities, showcasing the skills and dedication of participants while promoting values such as perseverance, discipline, and respect for animals. These events also have significant economic benefits, attracting visitors and generating revenue for local businesses. Eliminating the rodeo would not only erase a beloved cultural event but also diminish the vibrancy and diversity that make our city unique. I urge the council to consider the positive impact of the rodeo on our community and take action to ensure its continuation. Thank you for your attention to this matter.  
Sincerely, Jessica E. Kellogg
