**Comments for Public Posting:** I am against the ban of rodeo in Los Angeles. It is important for people to continue to know about their heritage and culture of rodeo. The animals are not being harmed and the owners take care of their animals to the upmost respect and care. Vote noon banning rodeo.

**Comments for Public Posting:** The rodeo is an abhorrent practice that needs to be abolished. There is no need or necessity for the rodeo. Breaking animals necks in front of children shouldn't be and isn't a family pastime. It's traumatizing and archaic. Please ban the rodeo.
