Comments for Public Posting: Thank you for this opportunity to comment on the LA Rodeo Device Ban. I completely support and hope for "Your Support," on this Ban. There is NO Excuse for animal abuse and it has no place in LA as well. Glorifying animal abuse at these Rodeos and stand-alone bull riding events, where terribly frightened animals, buck to escape torture devices that are commonly used must stop. Spurs, electric prods, rowels, and flank straps are sadly used upon them. Pittsburgh, PA passed a Ban in 1992 which this LA ban is modeled after. Please assist and help innocent animals in need as well as teaching children compassion and respect for all animals. We can make this Much Needed Ban HAPPEN!!! Many Thank You's from my heart to Yours!!~~
