Comments for Public Posting: I wish to voice my support of rodeo. Members are united to be on constant guard that all animals are handled with respect. I've been a part all my life, in Utah and Wyoming. No one involved wants any animal to be abused or injured. All animals are treated humanely. Especially regarding the Spanish Culture, their heritage must be honored. People fighting for rodeo to be discontinued are ignorant of the great heart of rodeo .

Comments for Public Posting: Please, put an end to the old dark cruel criminal Rodeo activities Now, once and for all! It's nothing but barbaric animal cruelty and criminal acts committed against innocent vulnerable living individuals. Stop tormenting them. What else does these cruel criminal Cowards do... ***Rodeo activities falls under the category of years of criminal animal cruelty, it's not 'culture' or 'sport'!!! It's pure narcissistic, selfish, barbaric, disgusting and evil cruelty. *** It's our moral obligation to put and end to this once and for all, Ban Rodeo activities everywhere, and Evolve. Thank you!

Comments for Public Posting: I feel that a ban on Rodeo is a thinly veiled racist attack on traditional vaquero culture. If a ban on rodeo is passed you make criminals of honest hard working people who only want to pass on our traditions to our children and grandchildren.
