Comments for Public Posting: Bull Bullying, Cow, Calf and Horse Rodeos are extremely cruel and unnecessary! We're suppose to live in a civilized society! Also hunting Bears which is the very animal that graces the California flag is horrific, cruel and unethical!!! Why are there Bear hunts where people in this state are allowed to shoot arrows and kill innocent bears??? How stupid for this state to have a bear on the flag that represents this state!! Did you know that the last original grizzly California bear that is on the California flag was hunted and killed by a poacher?? SHAMEFUL AND CRUEL!! End all rodeos and STOP KILLING AND HUNTING BEARS WITH GUNS AND ARROWS!!! Right now there is a law that 1,700 bears need to be killed in this state and are hunted now. Why??? Think about that!! I was surprised when I read that! Keep our bears and their families safe and end all Bear hunts now!!!!
