Comments for Public Posting: Please do away with the cruelty of rodees. It inflicts unnecessary pain on those poor animals.

Comments for Public Posting: Please do not ban Rodeo! My family and I love attending Rodeo events. It is part of our western heritage and history. Do not bow to animal rights extremists! Rodeo animals are well cared for. Thank you!

Comments for Public Posting: I wish to state that I am against Rodeo in LA and hope that it will be stopped. I dislike the side industries, such as using purchased burros to practice cow tie downs, it leaves the animals terrified. I've also seen other animals such as hens, goats etc be used for practice even with young children doing the practising. To me, this illustrates a complete disregard for animal welfare stemming from Rodeo and therefore it should be prevented and ended as soon as possible. Those who wish to continue it do so only because they see themselves as big cowboys. It's not good enough. Thank you for allowing me to comment.
