**Comments for Public Posting:** I am writing in strong support of this ban. I want to highlight for those who oppose this ban that this proposed legislation is not a complete ban on rodeos, it is just a ban on torture devices - electric prods, shocking devices, wire tie-downs, and bucking straps. This is not family entertainment, it is just pure violence and abuse. Many of these animals are just babies and die of their injuries. They do not deserve to be killed for pure entertainment. The vast majority of your constituents are in support of this ban and do not want to see this kind of entertainment. Please support this ban.
