Comments for Public Posting: I am a lifelong rodeo fan from a ranch and rodeo family. We love and care for our own animals and we value and respect rodeo stock, as well. I would like to go on record as opposing the proposed ban on rodeo. Thank you for your consideration.

Comments for Public Posting: Rodeos are cruel and barbaric to the animals that are tortured and harmed (and often killed). Please ban them.

Comments for Public Posting: Our ministry encourages the Los Angeles City Council to ban rodeo events. Hurting animals for entertainment is a sin (Gen 49:5–6) and rodeo is cruel, which is condemned by Proverbs 12:10.

Comments for Public Posting: The council should ban rodeo in Los Angeles. Los Angeles banned circuses and should do the same with rodeo!

Comments for Public Posting: Los Angeles should definitely ban rodeo. "Kindness and compassion towards all living things is a mark of a civilized society. Conversely, cruelty, whether it is directed against human beings or against animals, is not the exclusive province of any one culture or community of people. Racism, economic deprival, dog fighting, cockfighting, bullfighting and RODEOS [emphasis added] are cut from the same fabric: violence. Only when we have become nonviolent towards all life will we have learned to live well ourselves." Cesar Chavez, in a 12/26/90 letter to ACTION FOR ANIMALS, Oakland

Comments for Public Posting: I am mind boggled with everything that Los Angeles has to fix and there is plenty you keep coming after the equine sports and rodeo sports I can see as usual a small number of animal rights groups that are very well funded most of which are not even California based have once again are trying to poison the minds of the Los Angeles city Council with false statements false statistics Very select video clips and everything else you can imagin I support rodeo and all equestrian county fairs FFA and 4 H groups of American It's sad to think the general population is so removed from agriculture that they think food actually comes from Safeway I can only hope you will see your way to not rodeo events. Thank you, Albert Batteate

Comments for Public Posting: The sport of Rodeo is a worthwhile endeavor that enriches the lives of both human and animal athletes. The animal athletes are highly valued, greatly respected and treated very well. Without the sport of Rodeo these animals would not draw the value and worth that they do. Rodeo is a sport that is open to more individuals for a lifetime than any other sport. Do not support an ordinance that hurts such a large community and REMOVES a high value placed on some very GREAT Animal Athletes.

Comments for Public Posting: Rodeo and other equine sports are part of American history and a way of life for many. The people involved in rodeo and other equine sports love animals and are their caretakers. We have devoted our lives to them. Our way of life and legacy can not be taken away. Those in favour of this legislation lack practical knowledge and understanding of rodeo and our animals.
