Comments for Public Posting: LA banned circuses and should do the same with rodeo. Hurting animals for entertainment is ethically repulsive.

Comments for Public Posting: Our ministry politely requests that the Los Angeles City Council bans rodeo because it hurts animals for entertainment, which is condemned by Genesis 49:5–6 and because it is cruel to the animals, which is condemned by Proverbs 12:10.

Comments for Public Posting: When electric prods are banned, rodeos cannot function. This proves that animals are coerced into performing against their will. Los Angeles should do the right thing and outlaw rodeo.

Comments for Public Posting: It is absolutely imperative that rodeo be allowed to continue to be seen and participated in by American citizens. It's unfathomable that it would be removed from Los Angeles. It's a huge part of California's history and American history and must continue.

Comments for Public Posting: Do not take Rodeo away from CA. The animals are treated with love and respect. They are NOT abused. These cowboys and cowgirls treat the animals as a member of a team. They need their 4 legged team members to be healthy and thrive. Do not take away this sport from CA. There is so many young kids that need this to learn how to treat animals, work hard, be dedicated, and learn responsibilities.
