Comments for Public Posting: RODEOS are public displays of animal Torture and ABUSE.No animal enjoys what is done to them at Rodeos or roundups. It is the baser side of humans that enjoys Rodeos and Ignores the PAIN and sick nature of the events taking place at the Rodeo and the horrible damage done to the psyche of the animal--if the animal survives the abuse. PLEASE Ban this sick activity in Los Angeles-----I wish Madison Square Garden would stop soiling it's reputation by hosting animal Abuse events like Rodeos.
