Comments for Public Posting: Why anyone would want to watch grown men and women hurt animals for fun is beyond me. Ban rodeo in Los Angeles!

Comments for Public Posting: Leave the rodeo alone. Those people have to make a living like anyone else. They do not abuse their animals.

Comments for Public Posting: 20-1575 For centuries, the stories of Black Cowboys have been erased from history books worldwide. Unsung heroes like Bill Pickett, a trailblazing African American cowboy, rodeo performer, and actor, remain unknown to many. Inducted into the Pro-Rodeo Hall of Fame, Pickett's legacy is just one example of the significant contributions Black Cowboys made to rodeo culture. Others, like Nat Love, a legendary cowboy of the Old West, deserve recognition too. Rodeo is more than just a sport and entertainment; it's an integral part of Black heritage. Through Black Rodeos, we keep their legacy alive, promoting name recognition and awareness. It's time to give Black Cowboys the long-overdue recognition they deserve.

Comments for Public Posting: Rodeo should be banned in Los Angeles. "Rodeo is a dangerous competition. Animals are going to get hurt... The nature of the sport is violent, and there's no avoiding the inherent danger." https://www.wyomingnews.com/news/cheyenne_frontier_days/the-untold-story-of-rodeo-avoiding-animal-injury-at-cfd/article_8f21fffd-93fd-508f-8905-9aa448658830.html

Comments for Public Posting: Please criminalize rodeo in Los Angeles. "In addition to rough handling, the noise, unfamiliar surroundings and stress of being chased can cause extreme fear. Animal behaviourist, Dr. Temple Grandin, has argued that fear is "so bad" for animals that it is worse than pain." <https://vancouverhumanesociety.bc.ca/rodeos/>

Comments for Public Posting: Rodeo is morally despicable. Please make history by banning it! "However, the modern rodeo is a cruel "sport" that unnecessarily traumatizes and torments animals and results in their suffering, pain, and even death." <https://www.cwint.org/rodeofacts>

Comments for Public Posting: Our ministry implores the Los Angeles City Council to ban rodeo events because they are cruel and hurt animals for entertainment. The Bible condemns animal cruelty in Proverbs 12:10 and the Bible condemns hurting animals for entertainment in Genesis 49:5–6.

Comments for Public Posting: Los Angeles led the way in banning the bullhook and effectively changing perception about circuses. Los Angeles should do the same by banning rodeos. LA can be a bastion of morality and compassion and lead the way once again.
