Comments for Public Posting: Rodeos are cruel! Horses, bulls, steers, and calves can suffer painful injuries, including broken ribs, backs, legs and tails, punctured lungs, internal organ damage, snapped necks, and agonizing deaths and it all just for entertainment.

Comments for Public Posting: Hello I am concerned citizen the rodeo it self entertainment for the people in bleachers vs the animals enjoyment or pure fun. How many suffer & killed our self fun. It time to stop the cruelty of animals. I once gone acouple of for the enjoyment but once I become aware of it all I am like nope.
