Comments for Public Posting: Rodeo represent American Western Heritage. It brings the community together to celebrate the origins of our landscape. Everyone needs to learn our history, respect it, and grow from it. Please allow the experts within this industry to showcase athletes, both human and animal with respect and dignity. The animals of rodeo are well treated and respected. They live an idyllic life and are quite valuable. They live out much like wild horses and go to work in eight second increments. You seldom find a cut or a scar that is caused by the Cowboy themselves.

Comments for Public Posting: Our ministry politely requests that the LA City Council ban rodeos because they are cruel to animals and hurt them for mere entertainment. The Bible condemns animal cruelty (Proverbs 12:10) and hurting animals for entertainment (Genesis 49:5–6).

Comments for Public Posting: I think that rodeo should be banned in Los Angeles. The city council should make it happen. Rodeos are tremendously immoral because of what they do to animals. Results indicated bucking bulls were more likely than nonbucking bulls to develop horn and sinus disorders and musculoskeletal disorders of the vertebral region and pelvic limbs.

Comments for Public Posting: Los Angeles buried the cruel circus industry with the bullhook ban. The LA city council should make history again by banning rodeos.

Comments for Public Posting: The LA city council should ban rodeos in accordance with veterinarian Peggy Larson's statement: During the course of my lifetime, I have been a farmer, a bareback rodeo bronc rider, a large animal veterinarian, a medical researcher, a meat inspector, a state veterinarian, and a prosecutor. I have also worked as a media consultant on animal welfare issues including rodeo and PMU (pregnant mare's urine) horses. Based upon my extensive large animal experience, I have concluded that rodeo events are inherently cruel. - Peggy W. Larson, DVM, MS, JD
