**Comments for Public Posting:** God created these gentle animals that you like to torture and He sees ALL! Rodeo is a perverted public forum for animal cruelty and the rotten heartless monsters that enjoy seeing the pain and suffering of innocent living beings that GOD created! Since you have no respect for His beautiful creations, He will have no respect for yours! He knows who you are, where you are and how to hurt you! Vengeance is His!

**Comments for Public Posting:** I'm disappointed that the city is still trying to ban rodeo. It's been proven that the people want it to stay. It's important for culture, sports and KIDS. Children that grow up with in this world are known to be strong both in mind and work ethic. They love and care for their animals because they are partners and friends.

**Comments for Public Posting:** Dear Council members, In my humble opinion, you should all be ashamed on yourselves for allowing this heinous behavior against a weaker species to occur masked as a 'Sport.' If they wanted to hunt children, the aged, the elderly, but call it sport & if the state found a way to make money, would it be allowed also? How is this any different? Maybe you'll reason that the IQ is less than, so if it is an intellectually disadvantaged person, again, does that make it alright? The back & forth can go on til death. This is abuse & it saddens me that your hearts are so closed to decency I as to allow this. There is no need! It is not for survival in any way, at most it is a sick fetish, possibly an addiction. This “sport” is no more than terrified animals trying to get away from something that is causing them fear, discomfort, and pain. I hope you do decide to act better & do the kinder, more decent thing.
