**Comments for Public Posting:** Rodeos are using cruel tactics to force the animals to be aggressive in the ring. These must be made illegal as they are barbaric and inhumane! So many injuries occur, with broken legs, sometimes euthanasia and other unfortunate results of this abusive, so-called "sport"!! We will be watching as will many others who believe this stressful and abusive activity needs to be stopped for good in L.A!! With our sincere hopes of your serious and thoughtful consideration of positive change in this cruel business where animals are exploited and abused for "entertainment"!! There are so many other ways you can entertain the public without inflicting pain and suffering on innocent animals! Thank you kindly, Dave, Rita Cross, Family and Friends
