Comments for Public Posting: Extremist folks need to stop the attack on our culture, life style, and heritage. Rural folks are having a tough time in California, and particularly Los Angeles. We are being discriminated against by uneducated people. I welcome anyone that would like to help animals to reach out to me and make a difference. This proposed ordinance is nothing more than discrimination. The person heading this idea is just looking for votes. Has no idea what it is like to be around livestock. No qualifications for making such assumptions. Seeking political ground. Making the cost of having livestock high, with no place to keep them, forces the rural America to move out of Los Angeles. Why so much hate on our culture? Stop the hate please! Get people like this of office before it is too late. Look at what happened with our Federal Election. People are tired of both extremes! Get these folks out of office, they are unqualified to seek a happy medium for all folks. Seeking to force a majority without knowledge of repercussions in the long run.

Comments for Public Posting: Our ministry politely requests that the Los Angeles City Council ban rodeo because it is animal cruelty and hurts animals for entertainment. The Bible condemns hurting animals for fun. For instance, Genesis 49:6 states, 'I will not join in their secret talks, Nor will I take part in their meetings, For they killed people in anger And they crippled bulls for sport.' Additionally, Proverbs 12:10 condemns animal cruelty.

Comments for Public Posting: Los Angeles led the way in banning the bullhook, which effectively began the course of ending animal circuses. The LA City Council should do the same and take a leadership role and begin the course of ending rodeo. It's the logical thing to do if we want to live in a world that is civilized and compassionate.

Comments for Public Posting: Dear City Council, Please ban rodeo in Los Angeles. Rodeo is dangerous for animals and humans and should be illegal everywhere. LA is a good place to start.

Comments for Public Posting: Please ban rodeo in Los Angeles. Pittsburgh banned it back in 1992. Discussions should have happened in LA back then!

Comments for Public Posting: Children witness rodeo events and are taught that it's ok to hurt animals for entertainment. Then we wonder why our world is so violent. Please ban rodeo in Los Angeles.
