Comments for Public Posting: Please ban the Rodeo at Crypto.com arena! I am writing this as extremely concerned resident of Los Angeles. Rodeo is cruel and inhumane, there's nothing entertaining about public display of animal abuse and horrific torture. Rodeos have caused animals punctured lungs, torn muscles, snapped necks, and broken backs. Animal abuse is not entertainment! Please cancel any plans of holding rodeo at any venue in Los Angeles, including Crypto.com arena. Thank you!
