Comments for Public Posting: To the LA city council; let me go on record, I am OPPOSED to banning rodeo in LA city and county. It is an error to prevent this all American sport. Rodeo and other western events livestock are very well cared for, healthy or they do not compete. Western folks are the most animal friendly people in the world, our animals are our living, best friends, and usually a large financial investment as well. Please take into consideration, many of the people who oppose rodeo and livestock events are not animal owners, and/or have no or limited knowledge of rodeo.
