Comments for Public Posting: Rodeo is a public embarrassment of humans torturing animals they've cornered for sick pleasure. This practice is unacceptable and a symptom of a cruel society. This is not our nature and we have the ability to enjoy games and fun and pleasure in so many ways that aren't at the expense of a bull or horse.

Comments for Public Posting: Rodeos are barbaric and disgusting displays of animal abuse for entertainment. They have no place in civilized society and need to be banned. The animals don't deserve to be hurt for some imbecile's amusement.
