Comments for Public Posting: It is long past time for this inhumane and cruel practice to end. The use of these instruments to cause bulls to buck should not be entertainment. Please support this ordinance with your votes.

Comments for Public Posting: I am thankful that the Los Angeles City Council Personnel, Audit, and Animal Welfare passed the Rodeo "Tools of Torment" Ban December 7, 2022. Please make it the law when the City Council votes on it, in January 2023! The Ordinance would ban the use of "Tools of Torment" (i.e bucking straps, electric prods, and sharpened spurs) that force animals to perform in rodeo events held in Los Angeles. Those "Tools of Torment" are inhumane and barbaric for innocent animals.
