A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enabled by the to Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or rResolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website. Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Council's rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at empowerla@lacity.org.

Summary: Foothill Trails District Neighborhood Council General Board (FTDNC) voted unanimously on January 19, 2023, to OPPOSE the proposed Rodeo Ordinance, Council File #20-1575. FTDNC is comprised of the equestrian communities of Lake View Terrace, Shadow Hills and La Tuna Canyon. We represent the largest concentration of equestrians and equestrian zoned properties located in the City of Los Angeles. Our constituents love animals, and are advocates for the welfare of animals, and also believe equestrian sports can take place while maintaining a high standard of animal care and welfare. The proposed Rodeo Ordinance, as currently written, is too vague, and we are concerned that it could result in unintended consequences impacting all equestrian sports in the city, but particularly rodeo. We urge the city council to work with the Los Angeles Equine Advisory Committee (LAEAC), to create a revised ordinance that will

protect the welfare of animals, while also allowing rodeo and other equestrian events to continue in a manner that is safe for all participants. The LAEAC was created by the city, with a member appointed by each council member, with the specific intent of advising the council on all equine related matters. The fact that the LAEAC has not been consulted by the city council members promoting this ordinance is concerning, and that must be remedied before an ordinance of this nature is brought to the full council for a vote.
