To Whom It May Concern,

Forcing ponies to give rides and overworking them for entertainment is inhumane and out of line with the progressive views Los Angeles holds towards animal welfare. I thank you for not renewing the contract for Griffith Park Pony Rides and Petting Zoo and urge you to replace the concession with a non-animal model. There are plenty of options that do not involve the exploitation of animals. I urge you to make the progressive and compassionate choice and replace Griffith Park Pony Rides with a Non Animal Model. Thank you.

Sincerely,
Cassidy
