To whom it concerns

I urge you to vote in favor of the L.A. Rodeo Ban (council file #20-1575). Animals abused by the rodeo industry are chased, wrangled, roped and tormented for entertainment.

Animals like horses, bulls, steers, and calves can suffer painful injuries, including broken ribs, backs, legs, and tails, punctured lungs, internal organ damage, snapped necks and agonizing deaths.

This abuse is horrendous and unacceptable and there is no excuse for it.

Sincerely,

Chantal Buslot Belgium
