Summary: The United Neighborhoods of the Historic Arlington Heights, West Adams and Jefferson Park Communities Neighborhood Council (UNNC) supports the Shelter and Housing Availability / Homeless Crisis / Los Angeles Homeless Services Authority (LAHSA) / Measure H Outreach Program motion. Since the passage of Measure H in 2017, LAHSA, the County of Los Angeles Departments of Health Services and Mental Health, and non-profit homeless service organizations who received Measure H funds have hired thousands of outreach workers to develop relationships with our unhoused community members. Currently outreach and engagement is the major way unhoused individuals are able to make contact with a homeless services provider. UNNC supports the request for a comprehensive report of how Measure H funds are being used and how all City funded homeless services programs are being spent.
