Item Number:

Summary: Amended Support CF 21-00002-S121 with the concurrence of the Mayor, that by the adoption of this Resolution, the City of Los Angeles, hereby includes in its 2021-22 State Legislative Program SUPPORT of AB 970 (McCarthy and Chiu), which would require an application to install an electric vehicle charging station to be deemed complete, if fifteen business days after the application was submitted, the city, or city and county has not deemed the application to be incomplete, or issued a written correction notice detailing all deficiencies in the application; and thereby, advance the City's policy objective to make electric vehicle-ready charging stations available citywide (Ordinance No. 186485). AB 970 would further require an application to install an electric vehicle charging station to be deemed approved if forty-five business days after the application was deemed complete, and the following have occurred: (1) the city, county or city and county has not approved the application; (2) the building official has not made a finding that the proposed installation could have an adverse impact upon the public health or safety, or require the applicant to apply for a land use permit; (3) the building official has not denied the permit; and (4) an appeal has not been made to the Planning Commission of the city, county, or city and county. Amended to: "application to install an electric vehicle charging station to be deemed complete, if fifteen business days after the application was submitted and, application to install an electric vehicle charging station to be deemed approved if forty-five business days after the application was deemed complete"
